General Information about Beneficiary (Mission Statement, populations served, longevity of non profit, notable events or programs, etc.) *

CERT (Community Emergency Response Team) is a program through FEMA to train and organize citizens at the local level to assist Fire and Police in time of need.

EastTex Regional CERT supports Rockwall, Hunt, Kaufman, Collin, and Van Zandt Counties. We were recently invited by Fire Chief Kendricks to assist Sunnyvale and operate here as well. I spoke at the Town Council meeting Monday night at the request of the Mayor and Chief.

Here is a list of some of the capabilities we offer the communities we support. Missing persons search, disaster response, traffic control, public event support, wide area search, fire suppression, landing zone control

We teach 4 free classes per year for new members.

Project Name / Specific Need *

Equipment for trailer

Total Project Cost *

\$17,800

Breakdown of Project Costs

- The ask must be for a specific and immediate need or project.
- Must provide detail on how the entire combined donation is to be spent and time frame.
- If the organization is a 501(c)3 funds requested must funnel through a 501(c)3 and the appropriate tax form must be provided by the Charity.
- 100% of the donation must go to the specific need requested in the application. *

Chief Kendricks has a trailer we can use. To operate at full capacity, we need funds to equip it with all the equipment we use on deployments. Your donation would allow us to do that much more quickly.

First Aid Equipment (Backboards, Tourniquets, etc.)- \$4100
Event Setup - \$2000
General Equipment (Generator, traffic control, drone, etc) - \$7900
10 member kits/tshirts - \$1000
Radios - \$2,800

Our goal would be to have this done by the end of the year.

Project Outcome

- How many people will directly benefit from these funds?
- Who will benefit from these funds?
- How will they benefit from these funds? *

1.3 million people within our service area will benefit from these funds.

99.9% of the time, the trailer will be in Sunnyvale as it will be staged there and used for events in town. However, if a major disaster were to strike within our service area, it MAY be deployed there as well. Likewise, assets from our other counties would assist in Sunnyvale if the need arose.

Sunnyvale will benefit directly by having a trained team of volunteers willing to help in times of need with the resources necessary to accomplish that goal effectively. These volunteers will assist Fire and Police, saving the town 1000's in overtime labor. The entire region will benefit by having additional emergency resources available to them when things go very badly.

Why Your Charity?

- Explain why your charity is worthy of the funds provided...this is your opportunity to sell your project/need to the membership!

During the week following the large tornado, ETRC members put in over 600 volunteer hours to assist with post-disaster recovery, including helping to set up shelter that would still be housing 30 families a week later.

On Wed, 9/11, a callout went out at 6am for a missing 11yr old girl in Roysse City. The week before we had two missing person searches in Caddo Mills and Campbell. ETRC volunteers stepped up and provided assistance to help all 3 searches come to a successful conclusion.

We have been in operation for over 10 years with over 140 active members, and have provided the community over 28,000 volunteer hours, including assisting on over 25 emergency callouts. When a major event takes place in Sunnyvale, Police and Fire simply don't have the man power and will be overwhelmed. EastTex CERT is able to supplement their resources.

Additional Details

Beneficiary understands that the projected combined donation amount is dependent on all 100 Women of Sunnyvale members making a \$100 donation and that the actual combined donation amount may vary. Beneficiary also understands that the funds awarded by 100 Women of Sunnyvale should be spent in Sunnyvale. If a portion of funds are to be used to benefit areas outside Sunnyvale, Beneficiary has explained this in the application. Please initial. *
